

The World's Last Frontier

Mongolia

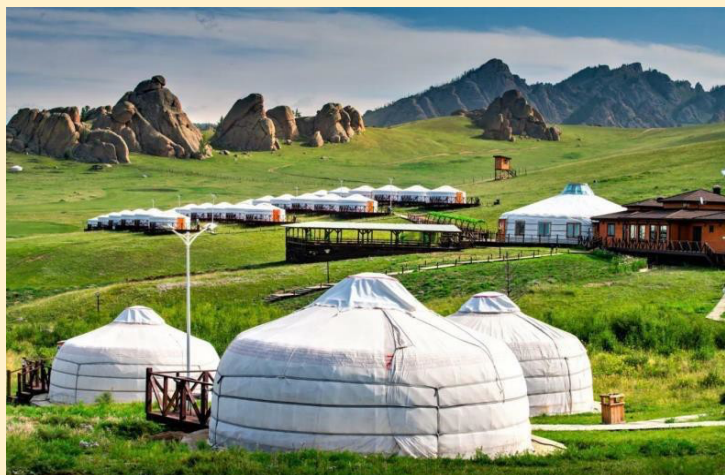

A Summer Adventure

July 10 th – 22 nd 2025

July 27 th - August 8th 2025

13 days of Adventure and Culture in a wilderness like no other on earth

Come with me on a personally guided tour of this amazing country. Let me show you the mighty lands of Genghis Khan, of snow capped mountains and vast desert dunes. Ride the magnificent Bactrian camels like a true nomad, gallop across the plains on the famous Mongolian horses and immerse yourself in a culture so different to anything else you have ever experienced. This is truly the last frontier.

We meet in Ulaanbaatar and from there I supply everything for the next 13 days. We will stay in the best places, eat the traditional food, and get lost in the culture as we explore this amazing country.

Cost is AUD \$7,850 pp twin share or AUD \$8,550 single supplement
